G7

TRAINING VIDEOS

Our library of how-to videos covers the basics to help you get started with the Dexcom G7 Continuous Glucose Monitoring (CGM) System.

Scan the code or visit dexcom.com/training-videos to watch.

ONE-ON-ONE PHONE SUPPORT

Chat with a member of our Patient Care team who can help you set up your app or receiver, provide training, and answer questions.

Call **1-844-537-7382** and press 2 for "education and training."

VIRTUAL CLASSES

Get live training with small groups of Veterans on Zoom. Classes cover a variety of topics including getting started with Dexcom G7 and changing your sensor.

Scan the code or visit dexcom.com/VA-Virtual-Training to sign up.
